BATHING AT LONG BRANCH.

Bitter Experiences of a Corpulent Congressman--His Struggles with tion to the Waves and the Result-Ungraceful Attitudes-The Best Swimmer at the Brauch, Etc.

Long Branch (July 29) Correspondence of the New York Tribune.)

This is a sight that pleases my Conturn his shoulders as he ought to have done when the waves sent the drapery ful figure, and he only laughed at the girl's embarrassment when she somewhat impatiently tore it from the outenjoyed the fun exceedingly. He saw the fair-haired Miss Nielson, the acther attendant, and in an unlooked-for moment, douse his head beneath the and he saw much that charmed him and his companions. They could not resist the temptation, and so in half an hour, dressed in their bathing cos- then told that he had left his entire tumes, hired of Sam Holmes, they presented themselves to Ben. Woolley, lushing as if they were listening to their first proposal of marriage. They had a charming time, but of course wallowed more sea water than was good for them. When they came out. my Sawyer, of course (he has been oing that for twenty years or more), told them they had done well, but yet

else. He assumed, as all heads of families do, I believe, whether male or female, to know more about everything than any other member of the family, and so of course he knew all about bathing, although he had not, he said, "been in swimming for ten or fifteen years." After the bath, the family went to lunch, as they ought, and the remainder of the day was passed as usual. The sun which rose the next morning ushered in the day when my friend Sawyer (an assumed name, remember, taken from his occupation) took his first ocean And this is what I have been

coming at for the last half hour. Well, my friend the Congressman had some difficulty in getting a bathing-suit large enough for him. Woolley. bathing-master, did his best for my friend, which seemed really little. When ready for his plunge, I must say that Sawyer looked more like a man. He stood on the hot sand of the beach for some time, dreading to step in the water, which some mischievous sun he compared to a hot griddle, and its rays soon made his bald head as stayed the warmer he became, and the lish-and that they were so jealous as existed from the very first conviction pillar leaped from the stock and was to short to button in. eaten by the chickens; others crawled Stung by the merriment of the ladies, lucky for the Queen they din't come! remained in a sluggish condition, a cled by the buoyant arms of ocean. you know that he never carries a sample of which we brought to our He made a rather bad start; for, in- pocket-handkerchief?
